The Cosmic Ocassion is a digital platform designed to streamline the planning and execution of events. It offers tools and features for organizing every aspect of an event, including venue selection, guest management, vendor coordination, budgeting, and scheduling.

Why We Created This Form?

1. Efficient Information Gathering:

Streamline the process of collecting essential event details.

2. Understand Your Vision:

Gain insight into your preferences, needs, and expectations.

3. Simplify Communication:

Provide a structured way to kick-start the planning process with ease.

Frontend Development:

HTML5

CSS

Bootstrap

Interactive Elements:

JavaScript

Backend Development:

Node.js

Contact Form Highlights:

Information fields include:

- Names of engaged individuals
- Email and phone number
- Address details (city, state, zip, country)
- Celebration date and number of guests
- Destination details

- This slide followed by many slides include the relevant screenshots of the running project and their corresponding code snippets.
- It should frame the complete picture of your solution.
